## PROGRESSIVE DINNER

**SATURDAY OCTOBER 15TH - 5:30PM**

This year's dinner will begin with appetizers outdoors on Cherry St., all courses will be outside, and ending with dessert back on Cherry St. We will start a bit earlier than past events to take advantage of the light.

Hosts will need to have seating for 10-12 people and provide plates, cutlery and drinkware (can be disposable). Cooks will either provide an appetizer or dessert for 25 people or a course (salad or entrée) for 10-12 people.

This is a great time and a great way to meet new neighbors or get to know old ones better!

Please complete the survey at <https://forms.gle/DfyLs1m3jUaB8NiS7> by no later than 9/23 so we can get courses assigned (and have time to fill in any gaps). Survey can also be found on the Facebook event page.

If you have any questions, please email [rgnaevents@gmail.com](mailto:rgnaevents@gmail.com).

## KC Marathon

**Saturday, October 15th - 7:00am-2:00pm**

This year's Garmin Kansas City Marathon is taking place on October 15th. The route will again take runners on 75th Street from Ward Parkway to Troost and back again. The marathon will kick off at 7am with runners approaching RGNA (mile 19 and 20) closer to 9am (and finishing up around noon). Please plan your morning to avoid driving on or across 75th St. Or better yet, plan your morning around cheering for the runners! RGNA will be setting up a cheering station along 75th. At mile 19 runners will be hurting and seeing a neighborhood out supporting them will really make a difference. Check Facebook for details closer to race day.

Are you an RGNA resident running the KC Marathon? Email us at [newsletter@rockhillgardens.org](mailto:newsletter@rockhillgardens.org) and we will have a sign up cheering you on!

## Dumpster Day Recap

Thanks to everyone that participated in this year's Dumpster Day event. We had 101 households participate through either getting rid of items, or donating to Goodwill. All households who paid for membership at dumpster day or before should have received their discount cards. If you are missing yours please reach out to [president@rockhillgardens.org](mailto:president@rockhillgardens.org).

## Rockhill Gardens Marker Reconstruction

Marker reconstruction is underway at 71st Terr & Holmes, Gregory & Holmes and Gregory & Oak. Marker repair is funded by RGNA so thanks to everyone for paying dues which support this neighborhood beautification effort.

## KCMO Sidewalks Prioritization Plan

Kansas City is working to create a safe and connected sidewalk network throughout the city. The purpose of this project is to evaluate the condition of the sidewalk network and make a plan for investing in the City's sidewalks. KCMO will prioritize based on proximity to important destinations, community priorities, numbers of people walking and biking, history of crashes, and equity. There is an in-person event to provide feedback on **September 13th at 5:30pm** at Wonderscope Children's Museum in Red Bridge. More info can be found here: <https://kcmosidewalks.com>
