Officer Elections

Congratulations to the 2018-19 RGNA Board. All of the current members volunteered to stay for another term. See the officer list below.

Sidewalk Repairs

Repairs reported to 311 will be added to new systematic repair program as part of the GO Bonds funding. When sidewalks are slated for repair the parks department will assess impacts on existing trees and will place a door hanger to notify the homeowner of any pending work.

Request for replacing the sidewalk for an entire street block still should go through the PIAC (Public Improvement Advisory Council) process.

Contact property@rockhillgardens.org and president@rockhillgardens.org for more information on PIAC projects.

Wornall Road Construction

Major construction work for Wornall Road, including 75th and Wornall. Work will include water mains, sewer lines and extension of the trolley track trail. Future public information sessions are planned. More information can be found at

<http://kcmo.gov/publicworks/75thandwornall/>.

KC Campus for Animal Care

Funded as part of the GO Bonds, the new shelter is to be located in Swope Park. Groundbreaking is expected this Summer. For more information, visit <https://kcpetproject.org/>
