PROGRESSIVE DINNER

Saturday, October 23rd - 5:00pm

Progressive Dinner is a go! This year's dinner will begin with appetizers outdoors on Cherry St., all courses will be outside, and ending with dessert back on Cherry St. We will start 1 hour earlier than past events to take advantage of the light.

Hosts will need to have outdoor seating for 10-12 people and provide plates, cutlery and drinkware (can be disposable). Cooks will either provide an appetizer or dessert for 25 people or a course (salad or entrée) for 10-12 people.

This is a great time and a great way to meet new neighbors or get to know old ones better!

Please complete the survey at <https://forms.gle/qFLbyx1Zn5FrucU9A> by no later than 9/27 so we can get courses assigned (and have time to fill in any gaps). Survey can also be found on the Facebook event page.

If you have any questions, please email rgnaevents@gmail.com.

KC Marathon

Saturday, October 16th - 7:00am-2:00pm

This year's Garmin Kansas City Marathon is taking place on October 16th. The route will take runners on 75th Street from Ward Parkway to Troost and back again. The marathon will kick off at 7am with runners approaching RGNA (mile 19 and 20) closer to 9am (and finishing up around noon). Please plan your morning to avoid driving on or across 75th St. Or better yet, plan your morning around cheering for the runners! RGNA will be setting up a cheering station along 75th. In 2018 and 2019, RGNA won for being one of the best cheering stations along the course. At mile 19 runners will be hurting and seeing a neighborhood out supporting them will really make a difference. Check Facebook for details closer to race day.

Are you an RGNA resident running the KC Marathon? Email us at newsletter@rockhillgardens.org and we will have a sign up cheering you on!

Did you know? Curbside Recycling

- Remove food and rinse containers. Clean pizza boxes are recyclable, but if there are grease stains, trash the portion that is contaminated.
- Do not put recyclables in plastic bags or include plastic bags in your recycling. The bags jam up the processing equipment. You can take them to select retail stores to recycle.
- If it is raining, wait to recycle your paper products till the following week. Wet cardboard and paper can not be processed properly.
- Do not crush your aluminum cans. The recycling machines use an electrical current to separate the aluminum and it doesn't work as well if they are crushed.
- Leave caps on plastic bottles. Items smaller than a credit card should not be recycled, they are filtered out and discarded.
- It's especially important to recycle high value materials like aluminum cans, cardboard and plastics #1 and #2.

Neighborhood Safety Reminder

There have been a few vehicle thefts and breaking & enterings reported in the neighborhood within the last 8 weeks, so please remain vigilant. Nicer weather unfortunately often means increases in crimes of opportunity. It can take less than a minute for someone to take something that is left unattended. Remember to lock vehicles and sheds, close garages and keep valuables out of plain sight. Other reminders include leaving lights on at night and/or installing motion lights, and if you park on the street or driveway, hide garage door openers.

Upcoming Dates

October 13th - RGNA Board Meeting 7:00pm

October 16th - KC Marathon (Road closures around RGNA 7:00am-2:00pm)

October 23rd - Progressive Dinner - 5:00pm
