Garmin Kansas City Marathon Watch Party

This year's marathon is taking place on October 15th. The route will take runners down 75th St from Ward Parkway to Troost and back again. The marathon will kick off at 7am with runners approaching RGNA (miles 19 & 20) closer to 9am (and finishing up around noon). Please plan your morning to avoid driving on or across 75th St. Or better yet, plan your morning around cheering for the runners! RGNA will be setting up a cheering station along 75th and Cherry.

Gregory Streetscape Improvements

Construction is underway on the City's plan to improve Gregory from Wornall to Oak St. This project will add Complete Streets, traffic calming and streetscape improvements. Crosswalks, bumpouts, bike lanes, and other improvements will be planned to be added. Per the City's website, construction is scheduled to be completed by the end of the year. More info can be found at: <https://www.kcmo.gov/Home/Components/FacilityDirectory/FacilityDirectory/192/360>
