T-SHIRT DESIGN CONTEST

Wow! It was so much fun seeing all the submissions for the RGNA t-shirt design contest. After tallying the nearly 100 votes from the Block Party, we have finally come to a winner! It was a close one, but the top vote-getter for the design was Carlos Nunez! Below is Carlos's design that we will be working to get set up for purchasing & printing. More details to come on ordering details!

NEIGHBORHOOD DISCOUNT CARDS

The RGNA discount card is a benefit for paid members. This year's discount card includes the following businesses - Charlie Hooper's, Lew's, The Well, McLain's, Front Range, Waldo Pizza, SOAP Refill Station, and City Barrel's coming soon location where Bier Station used to be. The cards for members paid as of 6/28 have been delivered. If you paid after 6/28, there will be another delivery late July/early August.

RGNA DUES REMINDER

If you forgot to pay your dues, payments can be made anytime through the payment portal on the ha-kc.org site. If you have not paid online before, there is a quick registration that will require the address code found on payment notice. There is also the option to mail payment to HA-KC. If you need the code or have questions about dues, please send a note to membership@rockhillgardens.org and/or president@rockhillgardens.org. Dues payments support the activities of RGNA including Chalkhill Gardens, Block Party, Progressive Dinner, Dumpster Day, Holiday Decoration Contest, Solstice Walk, marker repairs and everything else we do to make our neighborhood great. Thank you for your support!!

Block Party Recap

Two years in a row the rain held off for the Block Party! Let's just hope we can avoid rain chances next year! Thanks to everyone that came out to enjoy food, drinks, and fun! We had 93 households and about 262 neighbors join in on the party this year!

New Recycling Carts

The new recycling carts are nearly here! Phase 3 of the city's rollout started 6/29, delivering carts to residents that have Wednesday trash pickup. With our Thursday pickup, and the city's goal of delivering all the carts by September, we're estimating that we should receive ours in August. For more info, check out the city's info page: www.kcmo.gov/city-hall/trash/recycling. Reminder these carts will replace the open plastic recycling containers in use now, and are not for regular trash collection. There is a city council budget proposal for separate trash carts.
