PROGRESSIVE DINNER

OCTOBER 10TH 5:30

Looking forward to another great year of the RGNA Progressive Dinner! If you are a regular, great! No major changes - sign up by the 20th of September and then a course list will follow.

If you are new, WELCOME! Here is a run-down of the event.

Everyone participates in the dinner as either a host or a cook, and it is a great opportunity to get to know your neighbors a little better! Come as a single or a pair, but no kiddos for this one!

- **Schedule:** The night begins at 5:30 PM with appetizers outdoors on Cherry St. We then split up for the salad course, move to a new location for the entrée course, and reconvene on Cherry St. for dessert.
- **Hosts:** Provide indoor or outdoor seating for 10-12 people along with plates, cutlery, and drinkware (disposable is fine). It's easy, and you are not obligated to give house tours.
- **Cooks:** Provide an appetizer or dessert for 25 people, or a course (salad or entrée) for 10-12 people. Entrée typically receives the fewest volunteers, so cooks are encouraged to step up for mains!

7TH ANNUAL HALLOWEEN PARADE

FRIDAY OCTOBER 30TH - 5:30PM

Join us for the 7th annual RGNA Halloween parade! Come in your costumes and meet at the corner of 74th St. & Cherry. We will parade north on Cherry and turn right onto 73rd St. After the parade join us for a Halloween-style block party complete with

Haunted Activities & Spooky Family Portraits

Check out Facebook for more details!

Parade: meet at 5:30pm

Haunted Activities: 5:45-7pm

Spooky Family Portraits: 5:45-7pm

We hope you can join us for this spooktacular good time!

What Makes us Great!

Highlighting special parts of RGNA

RGNA Bookclub was started in 2018 by Elizabeth Schieber who put out a call to all neighbors who like to read. The first meeting was held in her living room and now has rotated through over 26 different homes. The group kept meeting through 2020 and 2021 by gathering in backyards in all weather, from the 30s to the 90s. In recent years the club has added Bookclubsgiving where the November book choice is a cookbook and everyone chooses a recipe to make and share at the November meeting. Now in its 9th year the group has read and discussed 104 books together! The RGNA Bookclub is a great way to connect with neighbors and see inside other (similar) homes.

Recycling Program Expanded Paper and plastic to-go cups accepted

Kansas City's Solid Waste Management Division is expanding its recycling program to include hot and cold paper cups, as well as plastic to-go cups, in residential recycling carts and designated drop-off locations. This addition makes recycling even easier for residents and supports the City's efforts to reduce waste, conserve resources, and build a more sustainable Kansas City.

Household Hazardous Waste Disposal Event Burns & McDonnell - 9400 Ward Pkwy Saturday, September 19, 2026 7:30 AM - 1:00 PM
